AFFORDABLE HOUSING

WHEREAS access to affordable housing is limited throughout Nova Scotia; and

WHEREAS all Nova Scotians, including those with physical disabilities, mental illness and addictions, have a fundamental right to safe affordable housing; and

WHEREAS national studies, such as At Home/Chez Soi, maintain that having a supported stable home can drastically improve one's physical and mental well being;

THEREFORE BE IT RESOLVED THAT the Liberal government implement a provincial affordable housing plan in collaboration with other levels of government (federal and municipal), the private and non-profit sectors, and the consumers.
