

## **WEST NOVA Infrastructure Development**

**WHEREAS** Federal Liberal Leader Justin Trudeau stated on February 27, 2015 that infrastructure is one of the five most important items to be dealt with by a new Federal Liberal government; and

**WHEREAS** in West Nova federal assistance has been doled out very sparingly by the current federal government; and

**WHEREAS** West Nova would benefit greatly as a stimulus to the rural economy from joint federal and provincial infrastructure cooperation; and

**WHEREAS** West Nova needs assurances of continued infrastructure support for all sectors of the economy, including but not limited to marine transportation, highways, resource based sectors, high speed internet and affordable housing.

**THEREFORE BE IT RESOLVED** that the Liberal Government of Nova Scotia actively pursue those avenues of infrastructure development, both through its own initiative, and through engaged cooperation with a new federal government.
